

skin condition

5-7 days post procedure.

description

A targeted service designed to support skin as it transitions out of the initial recovery phase following advanced treatments. This protocol helps restore barrier integrity, calm lingering inflammation, and strengthen long-term skin resilience for optimal treatment outcomes.

benefits

- Calms and comforts compromised skin
- Replenishes hydration and reinforces the skin barrier
- Promotes a refreshed, balanced complexion

featured professional products

- PreCleanse
- Magnetic^[+] Afterglow Cleanser
- Soothing Additive
- Clinical Oatmeal Masque
- Colloidal Masque Base
- Stabilizing Repair Serum
- Stabilizing Repair Cream
- Multi-Active Toner
- Invisible Physical Defense SPF 30

pro calm post procedure (5-7 days)

how it works**1. Cleanse + Calm**

Gently remove impurities with a soothing double cleanse while preparing the skin for optimal absorption of calming ingredients.

2. Soothe + Restore

Layer Stabilizing Repair Serum with hydrating professional masques to calm visible redness, replenish hydration, and help restore the skin barrier.

3. Strengthen + Protect

Layer barrier-supportive hydration to reinforce resilience.

treatment protocol**I. double cleanse**

1. Dispense 1-2 pumps **PreCleanse**, manipulate on dry face for 1-2 minutes, emulsify with water, and remove with damp esthetic wipes.
2. Perform **Face Mapping** skin analysis.
3. Dispense **Magnetic^[+] Afterglow Cleanser** into hands and mix with a small amount of water. Perform second cleanse and remove with damp esthetic wipes.

IV. home care

- **Stabilizing Repair Serum**
- **Stabilizing Repair Cream**

II. deep treatment + touch therapy

1. Apply **Stabilizing Repair Serum**.
2. Next apply **Clinical Oatmeal Masque** mixed with **Colloidal Masque Base** with a fan brush.
3. Then apply **Cooling Contour Masque**.
 - Place damp eye gauze and a damp layer of gauze over face and neck. Tent gauze around nose. Use a Dermalogica Toner to dampen gauze prior to applying.
 - Dispense one sachet of **Cooling Contour Masque** powder (Part 1) into rubber mixing bowl, followed by one sachet of gel (Part 2). Mix until smooth, approximately 1 to 2 minutes.
 - Using a spatula, spread masque evenly over face and neck.
4. Perform **Stress Relief Scalp Touch Therapy (Omit Technique 2: Hands on Head)** with **Soothing Additive** or **Calming Botanical Mixer**.
5. Gently peel off **Cooling Contour Masque** like a rubber sheet. Lift from the base of the neck or jawline. Remove any residue with warm water and sponges.
 - Optional: Follow with a steam towel.

III. dermal layering

1. Spritz the skin with **Multi-Active Toner**.
2. Apply **Stabilizing Repair Serum**.
3. Apply **Stabilizing Repair Cream**.
 - Optional: Apply **Barrier Repair** over moisturizer
4. Apply **Invisible Physical Defense SPF 30**.
